

# Ready Pro

Neutral detergent for cleaning and maintenance of wooden floors

Cleaning &  
Maintenance

Ready-Pro is a ready-to-use detergent for cleaning laminate and LVT floors, it helps the cloth to capture dust and slows its formation on the floor. Ready-Pro cleans giving the surface a uniform and revived appearance without streaks. Ready Pro can also be used on all washable surfaces.

## Ready Pro

### Technical data 20°C – 60% u.r.

Appearance	Transparent liquid
Density	About 1,00 kg/litre
pH	7,0
Storage	24 months in original sealed packaging – Protect from freezing
Packaging	0.750 liter sprayer, 1 liter plastic bottle

### How to use

Spray Ready-Pro directly on the surface to be washed and immediately distribute evenly using a damp and well wrung cloth. Alternatively, pour a little of the product onto a damp and well-wrung cloth and wash the affected surface. No need to rinse, the surface dries quickly and without leaving streaks. In case of stubborn dirt (black streaks of shoe rubber, grease stains, etc.) spray the product on the affected area, leave it to act for a few moments and gently wipe with a clean sponge or a soft cotton cloth. Ready-Pro can also be applied with the Cinderella maintenance system, without any dilution.

### Note

Protect from frost.

Always use damp and well wrung rags and cloths, avoiding stagnation of water.

Shake before using

### Safety rules

PRODUCT FOR PROFESSIONAL USE. Strictly comply with the labeling and consult the safety data sheet before using the product.

### Ingredients

List in compliance with the EC 648/2004 Detergents regulation – Less than 5%: non-ionic surfactants, EDTA. Scent. Biodegradable according to law

### Disposal

Dispose of unused product and empty packages in accordance with local legislation.
